<p>AR: See below</p> <p>1. Forwarded herewith is a copy of a map that was published in the Washington Daily News on 23 October 1962 showing Soviet and other communist installations in Cuba. The map is sourced to the DRE. Among other things, the map purports to locate Algerian and Ghanaian camps in Cuba.</p> <p>2. Headquarters would be interested in checking the veracity of these particular installations; specifically, does the DRE have hard evidence of Algerian, Ghanaian, or other African forces--military or otherwise--in Cuba? Please check this with your AMPELL contacts and try to obtain sourced evidence--if any exists--of the presence of Africans.</p> <p style="text-align: center;">END OF DISPATCH</p>
